

August 2022

It is our **VISION** as members of St. Roch Community Church, that our neighborhood and community would experience, embrace, and enjoy God's redemption in Jesus Christ in every area of our existence. As such, it is our **MISSION** that by loving God and our Neighbor, we will holistically preach Christ in word and deed so as to raise up godly leaders from within our community who will in turn promote its spiritual and physical well-being.
